Celebration of 58th Engineers' Day 2025

Theme: "Deep Tech & Engineering Excellence: Driving India's Techade".

The Institution of Engineers (India), Nashik Local Centre, celebrated the 58th Engineers' Day on 16th September 2025 at 3.00 pm at IEI-NLC's Ashoka Virtue Auditorium, Nashik.

September 15 holds a special place in the annals of the engineering fraternity, as it marks the birth anniversary of Bharat Ratna Sir Mokshagundam Visvesvaraya, a towering personality in the history of Indian engineering. In recognition of his monumental contributions to national development and engineering, Sir Visvesvaraya was conferred the Bharat Ratna in 1955.

The Institution of Engineers (India) observes this day every year across its State and Local Centres to educate and inspire both society and the engineering community. The theme selected by the Council for this year was "Deep Tech & Engineering Excellence: Driving India's Techade", reflecting the importance of innovation and technology in shaping India's future.

On this occasion, a special session was arranged on "Designing Your Future: Success Mantras", delivered by Er. Madhur Patil (COO, Technoforce & Founder & CEO, Integra Skid System; Mechanical Engineer, Business Owner, Blogger, Trekker, Baker & Traveler).

The programme began with the lighting of the traditional lamp in front of the statue of Bharat Ratna Sir M. Visvesvaraya, followed by the welcome and introductory address by Chairman Er. Samir Kothari, who highlighted the history, achievements, and future plans of IEI Nashik Local Centre. Guests were felicitated with bouquets, and the session was anchored by Er. Vipul Mehta.

The highlight of the celebration was the insightful talk by Er. Madhur Patil, who, drawing from her professional journey and global experience, shared five success mantras for young engineers to bridge the gap between academics and industry expectations:

- 1.Strengthening fundamentals in core subjects.
- 2.Developing strong people skills and effective communication.
- 3.Understanding the basics of finance in engineering decisions.
- 4.Acquiring programming and automation skills to stay future-ready.
- 5.Cultivating spatial intelligence to stand out in problem-solving.

Her inspiring session motivated participants to focus on holistic development—technical expertise, communication, financial awareness, adaptability, and creativity—to excel in their careers and grow into future leaders.

CELEBRATED THE ROYAL CHARTER DAY, HELD ON 13TH SEPTEMBER, 2025

It gives us immense pleasure to inform you that, The Institution of Engineers (India), Nashik Local Centre have been celebrated the Royal Charter Day, held on 13th September, 2025.

The grant of Royal Charter to The Institution of Engineers (India) took place on 9 September 1935 in The Court at Buckingham Palace of His Majesty King and Emperor George V. The grant of the Royal Charter was the first such recognition extended to a professional body which had its origin and functions in India.

The grant of a Royal Charter conferred independent legal recognition to IEI with specific object and purposes which also endowed the Corporate Members of the Institution with the right to use the title 'Chartered Engineer' after their names, implying that they are qualified engineers deemed worthy to hold a Charter.

To commemorate this landmark event, the Council of the Institution decided to celebrate 09 September every year as the Royal Charter Day across all its State & Local Centres.

Er. Vedant Rathi, Hon Secretary Nashik Local Centre welcomed all participants and deliberated a brief lecture on the history of Royal Charter during the occasion. Past Hon. Secretary Er. Vipul Mehta, Jt. Secretary Er. Dhiraj Picha, IEI Members Er. Nilesh Gonge, along with members of the Institution and enthusiastic participation from students of various engineering colleges.

The event concluded with a vote of thanks by Hon. Jt. Secretary Er. Dhiraj Picha.

The celebration witnessed the presence of Chairman Er. Samir Kothari, Hon. Secretary Er. Vedant Rathi, Council Members Er. Manish Kothari & Er. Santosh Mutha, Past Hon. Secretary Er. Vipul Mehta, Jt. Secretary Er. Dhiraj Picha, IEI Members Er. Nilesh Gonge, along with members of the Institution and enthusiastic participation from students of various engineering colleges.

**NOTICE FOR 40TH ANNUAL GENERAL MEETING (AGM) OF
THE INSTITUTION OF ENGINEERS (INDIA),
NASHIK LOCAL CENTRE**

To,
All Committee Members,
Institution of Engineers (India),
NLC, Nashik.

**NOTICE FOR 40th ANNUAL GENERAL MEETING (AGM) OF
THE INSTITUTION OF ENGINEERS (INDIA),
NASHIK LOCAL CENTRE**

40th Annual General Meeting (AGM) of the Nashik Local Centre will be held on Friday,
31st October 2025, Time: 6.30 pm to take up the following Agenda.

- AGENDA -

1. Welcome address by Chairman.
2. To confirm the minutes of the last AGM (39th) held on 26th October 2024.
3. To table and adopt the Annual Report and audited statement of account of Nashik local centre for the period from 01.04.2024 to 31.03.2025.
4. To appoint the Auditor for the year 2025-2026 and fix up the remuneration.
5. Vote of thanks.

All corporate members of Nashik Local Centre are invited for the above AGM.

EXPERT SESSION ON "COMPETITIVE EXAM PREPARATION" ORGANIZED UNDER IEI

Organized by: Institution of Engineers (India) – SNJB's Late Sau. K. B. J. COE, Chandwad, Nashik.

Objective:

The objective of the expert talk was to create awareness among students about entrepreneurship, industry readiness, and the opportunities available for engineers beyond conventional career paths. The session aimed to motivate students to develop innovative ideas, entrepreneurial skills, and adaptability to the evolving industrial environment.

Expert Talk:

Resource Person: Mr. N. Kanagasabai (Former Scientific Officer, Bhabha Atomic Research Centre – BARC, Mumbai)

Key Highlights:

- Shared his professional journey and experiences at BARC.
- Discussed the role of innovation, research, and problem-solving in industry and entrepreneurship.
- Encouraged students to explore startup opportunities and develop an entrepreneurial mindset.
- Provided insights on skill development, continuous learning, and aligning academic knowledge with industry requirements.
- Motivated students to take risks, remain disciplined, and contribute to nation-building through technology and entrepreneurship.

TEACHER'S DAY CELEBRATION (5TH SEPT 2025)

Teachers' Day was celebrated with great enthusiasm in the Mechanical Engineering Department. On this occasion, Head of Department, Dr. S. D. Sancheti Sir, addressed the students and shared his thoughts on the invaluable role of teachers in building character, knowledge, and confidence. He emphasized the importance of mutual respect between teachers and students and encouraged everyone to imbibe values of discipline and dedication in their academic journey. The session was highly motivating and created a positive atmosphere of gratitude and inspiration among the students.

Speaker : Dr.S.D.Sancheti ,HOD Mechanical
